*If a PI or advisor has available funding that can be justified in the context of the proposed project, then the PI or advisor is expected to assist with bench fees. Funding may be available through UCSB Faculty Senate grants or other sources. Additionally, research may be conducted in available space in the Wooden Greenhouse at no cost.

Waiver of bench fees is more likely when researchers have demonstrated a serious attempt to secure funding to cover bench fees. Please list below the places and dates where you applied for funding:
